How to get help with home insulation

The Government's Carbon Emission Reduction Target (CERT) means energy suppliers over a certain size are obliged to offer discounts through local contractors to reduce the cost of installing loft and cavity wall insulation. Below are contact details for the major energy suppliers operating in our area. These offers are open to any private householder, regardless of who supplies your gas and electricity. In some cases there may be additional help if you are a customer.

British Gas	0845 971 7731	www.britishgas.co.uk
EDF Energy	0800 096 9966	www.edfenergy.com
Scottish and Southern Energy Group: Atlantic Electric and Gas Scottish Hydro-Electric Southern Electric SWALEC	0800 072 7201	www.atlanticeg.com www.hydro.co.uk www.southern-electric.co.uk www.swalec.co.uk
Npower	0800 980 2135	www.npower.com
E.ON	0845 301 5939	www.eonenergy.com
ScottishPower	0845 601 7836	www.scottishpower.co.uk

Alternatively, you can phone the contractors to enquire about prices and to arrange a survey. Most insulation contractors are linked to energy suppliers and are able to offer these discounts. You can ask about this when you speak to them. Below are some insulation contractors who are members of the National Insulation Association (01525 383313 / www.nationalinsulationassociation.co.uk) and work in our area.
